TRAINING

OSC MONTHLY MEETING - attended the OSC Monthly meeting and received my annual fit test the next day at the COOP.

REMOVAL

RAB VALLEY WOOD PRESERVING SITE - reviewed and comments and reply to reply to comments regarding the PRP's Focus Feasibility Study report. Also, conducted a conference call with ODEQ to discuss. The conference call scheduled with the PRP was re-scheduled due to an illness.

WESTBANK - continued working on compiling a list of documents that could be released and not released under FOIA requests.
